

## Rules for the webinar

# Countries and regions initiatives supporting zero emission road freight and logistics

## Workshop 4 – Dutch initiatives supporting zero emission road freight and logistics

alice

Alliance for  
Logistics Innovation  
through Collaboration  
in Europe

**POLIS**  
CITIES AND REGIONS FOR  
TRANSPORT INNOVATION

*Waiting for  
other  
participants  
to join... 😊*

- The **session will be recorded** in case you or other ALICE members wish to have a look afterwards. A link to the recorded webinar and pdf presentations will be shared with participants in the event page.
- Please, **keep your microphone muted when the meeting starts and your cameras off if you are not speaking**. You can introduce yourself when entering the meeting so you do a test (i.e. everybody can hear you) 😊
- Please, **share your questions to the speakers in the GoTo chat**. You are also welcome to share thoughts, suggestions or relevant information on the subject

## You may ask any question on these rules before the start!

EMEurope and ENTRANCE have received funding from the European Union's Horizon 2020 Programme for research, technological development and demonstration under grant agreement numbers 723977 and 101006681, respectively.
